

DESCRIPTION

- PolyCoat is a water based decorative acrylic paint formulated for adhesion on galvanized metal, ceramic tile, concrete, PVC and glass.
- It can be used as primer.
- It has very good scrub resistance.

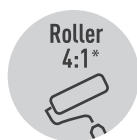

USAGE

Recommended for interior and exterior use.

APPLICATION

Apply PolyCoat using Brush, Roller or Spray.
See Mixing Ratio.

MIXING RATIO *(Dilute with water)*

* (PolyCoat : Water)

TECHNICAL DATA *(at 25° C)*

Specific Gravity	~ 1.30
Opacity	~ 96%
Volume Solids	34%
Finish	Semi-gloss
Coverage	~ 12 m ² per L
Packaging	1 L, 5 L, 20 L

CLEANING

Use water; however, do not throw away in waterway.

DRYING TIME

Approximately 1h to touch dry, can be over-coated after approximately 4h.

SURFACE PREPARATIONS

- **GALVANIZED METAL/PVC**
For new galvanized iron/PVC:
Sand lightly the surface to provide better adhesion.
For weathered galvanized iron:
Use a degreaser to remove any dirt on the surface. Sand coarsely to remove rust. Apply **Polytol Rust Remover** to clean the surface and rinse off with water.
- **CERAMIC TILE / GLASS**
Rinse off with water to remove any dirt. Make sure the surface is dry and clean.
- **CONCRETE**
The surface shall be dry and clean.
On porous surface, apply 1 coat of **PolyColor Clear Binder**.

If there is presence of fungi or algae
Apply **Fungicidal Wash** by roller and leave to react for 12h min. rinse with high pressure water again. Brush if necessary. One dried, apply a coat of **Fungicidal Treatment** on the surface which will be coated the same day. Apply a thin layer of **PolyColor Clear Binder** where necessary and leave to dry for 3h minimum.
- **FOR USAGE AS PRIMER**
Surface sanding is recommended after application of **PolyColor Polycoat** for better adherence with topcoat.

STORAGE

- Tightly closed container should be kept in a cool, dry place.
- Sealed product can be stored for over 2 years.

SAFETY

- Ensure good ventilation during application and drying. Avoid eating, drinking and smoking while painting.
- In case of contact with eyes, wash with ample water and seek medical advice if necessary.
- Keep out of reach of children.
- Do not use empty containers to store food.
- Do not throw away in waterway.

DISCLAIMER

These recommendations are meant as a guide, no guarantee is implied since conditions of use, method of application and cleanliness of the substrate prior to painting are beyond our control.
